Spring Term Issue 10

Dear Parent and Carers

Straight into the COVID news I am afraid. You are probably all very well aware that we have high and increasing numbers of positive cases amongst the school. In addition, at the time of writing this, we have 5 staff members off with Covid. I hope all of the children and staff make a speedy and full recovery. We have had to make some adjustments in school and implement some new control measures, that we will hopefully start seeing the positive impact of soon. Before I go any further, I would like to thank the staff for their amazing effort this week. Everyone from the cleaners, admin staff, TAs and the teachers. They have all stepped up and helped out - be it extra hours, covering classes, lunches, missing ppa, helping out with clubs etc. I am so proud that the level of education has remained a top priority and staff have, as always, put the wellbeing of the children first. I am truly humbled by the team here, and I can not thank them enough.

Other News:

It is great to see clubs back up and running. Despite everything I have just said above, it felt a bit 'normal' to be playing football again and I hope to be taking the children to some competitions soon. Last week our year 4 girls had an amazing time away at a dodgeball competition and the feedback I got from staff was that the girls played in such a fantastic, competitive, yet fair manner. They were, as expected, great ambassadors for Lanner School.

Reports:

We will be sending school reports out at the end of this half term. At the moment I am toying with the idea of emailing school reports to you in a bid to reduce our carbon footprint, however this is not set in stone yet. Whichever way you receive your report, if you would like to discuss it further, please drop your child's class teacher a quick message on dojo or seesaw and we will gladly oblige. I was really hoping to start opening the school up to parents a little more this term. I had a couple of things planned for the next week or two, however given the current Covid situation, that would seem a little crazy. But watch this space...we want to see you back in here as much as possible soon, and I am confident this will be the year we do it.

That is all from me this week. I hope you manage to enjoy the sunshine and get some good quality family time. Take care.

Kind regards

Kieran Walsh

Year 4 Dodgeball

The Year 4 girls attended a dodgeball festival arranged by Go Active in Truro last Friday. They played amazingly, were good sports and very supportive of each other! They came a very close second to long time winners, Kehelland, in the end but I was so proud of how well they strategised and played as a team.

Working with the Cornwall Museum Partnership and Creative Kernow, we are delivering family creative + making sessions across Cornwall. Open to all kids 4-14.

The first session will be Saturday the 19th of March at the Royal Cornwall Museum, Truro. We will be doing simple electronic circuits and stop motion animation.

The session is free, although museum entrance is required (Kids get in for free, adults are £5 for an annual pass), and you can drop in anytime between 10am and 4pm.

To ensure we have enough materials we would appreciate it if you could book your (free) place:
