Spring Term Issue 03

Dear Parents / Carers

I do hope you are all well and good. Fingers crossed you are all managing to get outdoors and enjoy the sunshine, albeit very cold sunshine.

COVID 19: The government announcement this week has come as a bit of a shock to us so we will spend the next week or two monitoring and assessing things before making any decisions or changes. As it stands, we will continue to keep all procedures and measures in place here at Lanner. Sadly, Covid has returned to our school this week, however numbers are low and hopefully it will remain that way. We continue to push forwards with school trips and have started some after school activities too. We will slowly and carefully continue to increase these as the term progresses.

Other news:

Vocabulary and Knowledge Tables. These are continuing to have a very positive impact on children's knowledge and learning. If you do not yet have a copy of your child's current learning information for this term, please do drop their class teacher a message. The impact of recapping key knowledge combined with the application and discovery of these same themes at school has huge learning benefits.

London:

This may sound a bit odd, but I am hoping there will be no headteacher note on the newsletter next week. The reason being, if I am not here next week it means that our year 6 trip to London has gone ahead and I will be away with them. It will have been two years since we have had a residential trip and we are keeping everything crossed that things go our way and we get the green light to go.

Parking:

A quick plea on behalf of our local residents. At the end of the day please could you kindly not turn up before 2.55p.m (or as close to this time as possible). Some cars are arriving as early as 2.30 and this can cause a backlog of cars along Lanmoor Estate, making it impossible for residents to get out of their drives. Parking is a very tricky situation here at Lanner and always will be. However, I am confident that with cooperation and consideration from all parties, we can continue to live in harmony with our neighbours. Thank you in advance for this.

That is all from me this week. I hope you have a wonderful weekend and the sun keeps shining for us all.

Kind regards

Kieran Walsh
Head Teacher
