Spring Term Issue 12

Dear Parent and Carers

Just a very short message from me this week, as the dreaded Covid has finally caught up with me. I am so excited to be returning back to school next week and seeing the children. I have been having daily meetings (not in person) with teachers and staff and have been hearing all the wonderful news that has been happening at school. Another thank you to the amazing staff who have once again stepped up and helped out where myself and other staff have been signed off for the week. I really have no idea what we would do without them.

I hope you all have a great weekend. Apologies for the very short message - I will be back on form next week 100%. Looking forward to seeing you all soon.

Kind regards

Kieran Walsh

Our word of the week is - Soar

Definition 1 — to fly or glide in a swift, easy way and at a very great height.

Definition 2—to grow rapidly in value or intensity; rise in a quick way.

*Owls soar through the night sky, screeching out their presence.*

Please try and use this word as much as you can with your child.

With the Easter holidays just around the corner, the Government funded Time 2 Move project are running sessions at Camborne College. This scheme provides free sports sessions and meals to children that are in receipt of (or entitled to) benefits related free school meals.

Do you fancy your chances as a pitcher? A Quarter Back? Or with a hockey stick? Maybe you're the next Kobe? Come and have a go at our American Sports day where you can try out a wide variety of American sports, learn some skills and play some games. These sessions are lead by fully qualified coaches with a wealth of experience. The sessions are for 5-15 year olds and all you need to bring is comfy clothes to wear, a drink and a coat in case! There will be two sessions a day - 9-1pm and 1-5pm and food will be provided during each session.
