Spring Term Issue 07

Dear Parent and Carers

Half term is upon us. What a fantastic year we have had so far (despite everything that is going on around us). Some positive news to pass on to you this week, but as usual, we will kick off with COVID19 update.

**COVID 19:** We still continue to wear face coverings here as a staff (in communal areas) and are continuing with our vigorous cleaning programme. Staff and children are still being impacted here at Lanner, however things are looking better this week. We wish everyone a speedy recovery who has Covid and look forward to seeing them soon. No new government updates to pass on to you.

## After School Clubs:

After School Clubs are Back!!! We are going to commence our after school clubs after half term, so watch out for some letters that will be coming out soon. Teaching staff have confirmed that the following will definitely be running: Football, Wellbeing/Yoga, Coding, Zumba and board games. In addition to these, I hope to be organising more clubs as the term progresses. I will of course keep you up to date with these. One slight difference or caveat I would ask you to bear in mind, is that if a staff member or bubble is hit by Covid then we will potentially have to postpone that particular club. We are all really excited to be opening our clubs backup and the majority will be commencing the week beginning 7th March.

## Other News:

We have had some visitors in school this week, friends from within the MAT. This consisted of three other head teachers and myself scrutinising learning and the curriculum. Almost like a mini, mock Ofsted. I was so proud of the children, their books and their attitude. They spoke clearly and articulately about their learning and displayed a real passion for learning. In addition, the teachers and subject leaders were great - the day was incredibly productive. As always, these days throw things up for us to work on, or areas to further develop - in fact, that is really the purpose of having these mini inspections, but the overriding feeling from the day was incredibly positive. I am very proud to be working at Lanner School and I would like to thank all the staff for their continued hard work and efforts.

That is it from me. Have an amazing half term break and I hope you all stay well and healthy.  
Kind regards

Kieran Walsh
