Dear Parent/Carer

RE: Shielding letters re COVID-19

I thought I would write a very brief letter, just as an extra precaution, to ensure all the children and families continue to be as safe as we can possibly make it. A gentle and polite reminder to parents of children who previously received a shielding letter to please check with your consultant/GP if your child has a condition that may still classify them as vulnerable or clinically vulnerable. If you are unsure, then I urge you to check anyway. In addition, if you have any additional requests, or require us to adapt things specifically for your child, please let me know. I have spoken personally to most parents of children with specific conditions, however if I have not yet done so, please come and find me.

Thank you all in advance.

Kind regards

Kieran Walsh
