Spring Term Issue 08

Dear Parent and Carers

I hope you are all keeping well, and if I have not yet seen you in person, a very warm welcome back from half term. At the time of writing this, Thursday p.m, we have just had World Book Day... WOW!! The children (and staff) looked amazing. I had the pleasure of reading a couple of stories to the gorgeous year 1's and it made me miss being in the classroom. A note to myself - get back into the classroom more often!!

COVID 19: Covid restrictions seem to be slowly disappearing across the country. We are no longer asking parents to wear face coverings on the school grounds, however please wear one if you wish to do so. I am also hoping that we will soon be in a position to start inviting parents back into the school, and keeping everything crossed that we may even be able to have some proper summer get-togethers again. However, I am not going to plan or think too much about this now, as we all know how quickly things can escalate and change. We also know that COVID has not disappeared and we are still experiencing positive cases, and the guidance still strongly advises to isolate when positive. So we will take one step at a time.

Other news:

I am really sad to inform you that Mrs Johnson has left our workforce. Mrs Johnson has worked for many years in the EYFS department and she will be sorely missed by us all. A big thank you to her for all her amazing work over the past years and for the big positive impact that she has had on so many young lives. I wish her all the best in the future.

Other news:

You will have noticed now that school trips and clubs are up and running. We are all so excited about this, and the trips that have taken place so far have been a huge success.

Other news:

Please note: BLAST is shut on Wednesday 6th April after school due to whole staff safeguard training

Other news:

All of the staff met on Monday to discuss the horrific world events that are taking place in Ukraine at the moment. Please rest assured, that we are all primed and ready with answers and assemblies for the children should the need or questions arise. So far, we have only had one or two questions from children, so we have not launched any full scale assemblies or group discussions. However, if your child expresses any concerns to yourself or you would like to speak to us personally and privately about this issue, please do not hesitate to contact me or your child's class teacher. Such a horrific thing to be happening in Europe straight off the back of a global pandemic. My thoughts and prayers are with all of those who are being impacted in this hideous time and we are of course carefully watching and monitoring the children's wellbeing here, as we know the stories and images are pretty much impossible to avoid at any age group.

That is all from me this week. I hope you have a great weekend whatever your plans are and I look forward to seeing you all next week.

Kind regards

Kieran Walsh

St Piran Day celebrations—Falmouth

St Piran's Day will be on Saturday 5th March. To celebrate the day, Princess Pavilion (Falmouth) are holding a 'fete' day of things Kernewek. However, before that gets underway there will be a plan to congregate in Queen Mary Gardens to parade/dance along the sea front to Princess Pavilion at 10am.

The Ukraine - helping children cope with world conflict.

The five ways to wellbeing are evidence based ways of looking after your mental health. Here, we think about how they can support children during a time of heightened anxiety and fear amid world events. Children under 7 are unlikely to take on board much of what is going on, so it can be best to wait for them to bring it up. With older children and teenagers, adults have less control over where their information comes from. Ask them questions to determine what they know and correct any misconceptions. With older children, respond to questions but don't overload them with facts. Keep messages simple and offer reassurances about the distance and the minimal risk of events directly impacting them or their families. Teens might have 'what if' questions - help them reality check these 'what ifs', explore what they could do in certain situations and focus them on the things they can control.

GOOL PERAN LOWEN!
ST PIRAN'S DAY CELEBRATIONS

Menu

Traditional Steak Pasty or Cheese and Onion Pasty

Hevva Cake

Jacket Potato available on request

GENUINE CORNISH PASTY

Pasties were taken down the mines by the adults and children who worked there; the shape and size made them ideal for carrying. It's distinctive D shape with the crust acting as a handle, which was discarded to prevent contaminating the food with grubby, possibly arsenic-ridden hands.

All Proper Cornish we are passionate about quality pastry. Filled with great tasting ingredients, made properly in Cornwall for people who love food.

We are passionate and honest about where our ingredients come from. At Proper Cornish, we believe in supporting our local farmers. Our wheate comes from Hayle, courtesy of Trevor Goldsworthy's family sun farm, our potatoes come from Blad genedex farmer Chris Daulow from Par and our onions are grown by Anthony West of Toppoint. Cornwall grows some of the highest quality produce in the world, so why go anywhere else?

Chartwells
